# COATS 4 CHILDREN

## WARMTH. DIGNITY. OPPORTUNITY.

Providing brand-new winter coats to children throughout Ohio through schools and trusted community organizations—always with **dignity** and **without judgment**.

*Because every child deserves the chance to simply be a child.*

We partner with schools, counselors, and community leaders who know the needs best.

New coats in the right size—purchased from the same stores our neighbors shop.

Families are notified privately. No labels. No tags. No one knows but they do.

Children stay warm, attend school, and feel confident—just like every other child.

Your job is to ***grow, learn, dream,*** and hold on to your gifts.

We'll work together to remove the economic barriers that stand in your way.

# Thank you, Black Tie Moving Co.

Thank you for your years of partnership and service to our communities. You support children across Ohio, rain or shine. By saying yes and showing up, you have made a real difference throughout the state. No one can do this work alone. Together, people and businesses can tangibly see the strength of collaboration.

# Thank you, LEADERS Moving and Storage

Thank you for your years of partnership and service to our community. You support children across Ohio, rain or shine. By saying yes and showing up, you have made a real difference throughout the state. No one can do this work alone. Together, people and businesses can rest easier knowing we have genuinely helped.

# PARTNER WITH US AS WE JOURNEY THROUGH OHIO TO PROVIDE WARMTH TO OUR CHILDREN

No one person, nor one company can solve the economic challenges families face every day, but we can collectively, child by child meet the needs of our youngest vulnerable citizens who in return offer to us the opportunity to each say "yes, we will become the bridge for wellbeing. We will community partner with others to make the goal more attainable." There is power in our yes as a community. Beverly Robinson-Founder

100% Professional Volunteers
The humanity of this program is that once the coats are delivered to the schools the principals, teachers, school nurses, social worker, and guidance counselors contact the parent/guardian of the child in desperate need of warm fitting outerwear.
The parent/guardian stops into the school to pick up the new coat. The child returns the next day with a winter coat in their proper size, suited for our Ohio winter weather.
The child's dignity remains intact, and the student's health isn't at risk because our Ohio community came together and simply said yes.
Our voiceless, invisible children need us to hear and see them and respond with humanity.

Many of us grew up as recipients of a community that stepped forward when our families were in need. We remember what it felt like to be helped, encouraged, and supported during difficult times. Now, as adults, we can reflect on those experiences and help educate the next generation on what meaningful service truly looks like.

Because we have lived it, we understand something important: helping someone should never come at the expense of their dignity. We have the responsibility to show others how to love, serve, and uplift families during times of hardship while preserving their pride and sense of belonging.
