

coats 4 children

The humanity of this program is that once the coats are delivered to the schools the principals, teachers, school nurses, social worker, and guidance counselors contact the parent/guardian of the child in desperate need of warm fitting outerwear.

The parent/guardian stops into the school to pick up the new coat. The child returns the next day with a winter coat in their proper size, suited for our Ohio winter weather.

The child's dignity remains intact, and the student's health isn't at risk because our Ohio community came together and simply said yes.

Our voiceless, invisible children need us to hear and see them and respond with humanity.
